Regulation of Trail of the Wall of China

1-Trail of the Wall of China is an open test (event) to all, runners, walkers, accompanying persons and plans 5 stages from 10 to 15 km.

The walkers make the same stages as the runners but with an early departure. The accompanying persons can, if they wish, assist the organization. Besides its sports aspect, this event allows the cultural discovery of China and his people.

Trail of the Wall of China is livened up by a spirit of opening, friendship and environmental protection which every participant will have to respect by a moral commitment.

2- The races take place in self-sufficiency. The participants necessarily have to have a gourd and a whistle. Some water is only supplied at first and on arrival. There is no solid provisioning.

3-Every participant has to supply a medical certificate of capacity in the running specifying that he does not present contraindication to the participation in Trail of the Wall of China.

4- The experience of CONTRASTE RUNNING in the previous events brings to specify that for safety reasons, in particular for climatic reasons, the events can be modified. It is reminded that the races take place on a "wild" ground little or not frequented, without possibility of immediate assistance.

Every participant has to conform to the instructions of running and accept only his responsibility, in particular on the not restored wall.

5-The organizers reserve the right to refuse the participation to the events of a subscriber if the medical care of the race considers that his physical state requires it.

6 - The direction of the race reserves the right to cross a runner in walker, if the slightest danger concerning his person had to arise during the event.

7 - Every person "runner" who makes a stage in "walker" will see itself classified last runner.

8 - Every person "walker" making a stage in "runner" or being several times begun to run, will be classified last walker.

9 - Every participant missing a beacon or missing a control point, will see itself penalized of one ½ the hour.

10 - Every person throwing bottle or other plastic and garbage on the route will be penalized of one hour.

11 - The events are timed. Rankings are individual and in the scratch, for the runners. No ranking V1 V2 V3. The final ranking is established after the last event. No ranking walker.

Every participant receives a commemorative medal of the event and a certificate of participation. 12 - Every participant authorizes the distribution of his image within the framework of the media coverage of this event.

13- Every participant recognizes the exclusion from responsibility pay the tout it's a pity. He will assert, towards the organizers or the sponsors, no right to the damages or other compensations in conformance with damage or wounds resulting, if need be, from his participation.
